

## Planning and Implementing the TB Case Management Conference: A Unique Opportunity for Networking, Peer Support, and Ongoing Training

**Author:** Global Tuberculosis Institute at Rutgers The State University of New Jersey

**Publication Date:** 2004

**Country of Origin:** United States

**Format:** Manual

**Physical Description:** 38 p.: col., ill.

**Language:** English

### Abstract:

This manual is a step-by-step guide for developing and conducting the Case Management Conference, a forum for networking, peer support, and on-going training to improve staff expertise in TB control interventions. It includes guidelines for the conference coordinator, presenters, and moderator in the form of to-do checklists, sample letters, presentation template, and evaluations.
